Civil Application No. 2522/2007

(*Munnibai wd/o Ramu Jawarkar, Amravati & others* **VERSUS** *Ashwin Singh Jagdish Singh & another***)**

Office Notes, Office Memoranda of Coram, appearances, Court's orders of directions and Registrar's orders	Court's or Judge's orders

Shri Kadu, Advocate for the applicant.

CORAM : Smt. Vasanti A. Naik, J.
DATE : 16th July, 2007.

By this civil application, the applicant seeks condonation of delay of 274 days in filing the appeal.

It appears from a perusal of the civil application that the civil application is not properly drafted. There are several blanks in the civil application which appear to have been filled in, at a subsequent point of time on the basis of the annexures which are received after the application was drafted and prepared.

None appears on behalf of the respondents, though served.

Though it is apparent from the civil application that the prayer made in the civil application cannot be granted in view of the fact that the gaps and blanks are later on filled in to suit

the purpose of filing the civil application, the applicants being poor claimants should not be made to suffer for the defects in filing the civil application. Hence, the prayer made in the civil application is granted and the delay in filing the appeal is condoned.

The civil application is disposed of accordingly.
